Hays County recently enjoyed a Lunch and Learn presentation from Dominique J. Henderson, CFP, Founder of DJH Capital Management on 'Managing Your Money in Tough Times.' Mr. Henderson's presentation was well organized and appropriate for the audience of county employees. Mr. Henderson was responsive to questions as they occurred and provided helpful and educational information on a variety of aspects of money management.

Mr. Henderson utilizes a variety of resources and media sources to communicate his knowledge and expertise in the field of financial planning. I have personally found these resources valuable.

With confidence, I recommend Mr. Henderson as a presenter, educator, and financial planning expert.
